INSTALLATION MANUAL

TL 56-4 and TL 112-4

TL 56-4 & TL 112-4 are led kits , upgrading the existing fluorescent type of lights to LED. These LED upgrade kits replacing watertight surface mounted lights of IP44 and above.

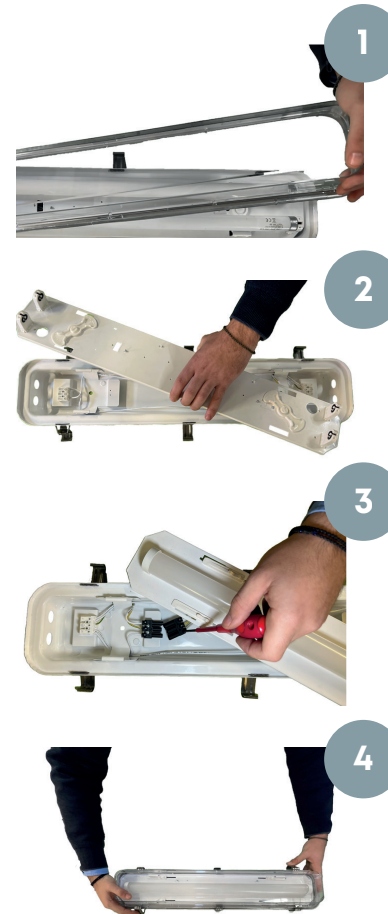

These types of lights are usually installed in **indoor/outdoor technical spaces.**

TL 56-4

TL 112-4

the video

LED RETROFIT KITS

4-STEP INSTALLATION

Quick & Easy installation without changing the existing housing.

MAINTENANCE FREE

The installation can be conducted by the crew, there is no need to hire specialists or electricians.

COST EFFECTIVE

Our retrofit solution costs less than 1/3 of a new LED lighting fixture.

TESTED EQUIPMENT

Our kits are tested to provide vibration free operation.
